ردیف	کد	عنوان	نتیجه
1	nritld9-01100038_190713110755	International Collaboration of Iranian researchers in the field of ventilation associated pneumonia	Accept
2	nritld9-01000034_190711125200	Low FEV1 is associated with lower serum S100A1, ZAG and adiponectin in patients with COPD	Accept
3	nritld9-00760018_190611134809	Survey of Asthma Attack frequency in windy days of Zabol, Iran, 2016-2017	Accept
4	nritld9-00640017_190608172547	The effect of oral vitamin D on the treatment of bronchiectasis patients: a double-blind clinical trial	Accept
5	nritld9-00410007_190612074714	Evaluation of correlation between parental cigarette smoking in pregnancy period and risk of acute leukemia in children that admitted in oncologic centers in Tehran,1390-1395	Accept
6	nritld9-00140002_190411234259	Sleep quality and related factors in the elderly	Accept
7	nritld9-00130001_190617083212	Burden of Obstructive Lung Disease Study in Iran: First Report Prevalence and Risk Factors of COPD in Five Provinces	Accept
8	nritld9-01070036_190712122419	Respiratory effects of Benzodiazepines on old people with COPD	Accept
9	nritld9-00820033_190703180642	Studying the Sputum Smear in Chemical Devotees with the Mustard in Iran-Iraq War Compared to the Control Group	Accept
10	nritld9-00710030_190707203503	The Assessment of correct usage of inhalers by Aligoudarz's hospital's nurses.	Accept
11	nritld9-00630014_190609205318	Available procedures to evaluation inhalable particulate matters' (PM) potential for inducing inflammation in lung epithelial cells; disadvantages, missing information and perspective	Accept
12	nritld9-00530010_190521222452	High resolution computed tomography in alveolar proteinosis	Accept
13	nritld9-00530009_190521215236	Features of chronic granulomatous disease in Chest computed tomography scan	Accept
14	nritld9-00530008_190521211458	Comparison of Mediastinal Lymphadenopathy Pattern in Hodgkin's Disease and Sarcoidosis	Accept
15	nritld9-00170019_190611201853	Investigating the effect of training on comprehensive suction artificial airway criteria on frequency of suction in patients under mechanical ventilation in the Intensive Care Units	Accept
16	nritld9-00170004_190415102951	To Investigate the Relationship between Nurses' Work Shifts and Extubation Time of the Tracheal Tube after Cardiac Surgery in Specialized Care Units	Accept
17	nritld9-00160003_190411230829	The effect of open suctioning of artificial airway based on the comprehensive criteria for suctioning on the patients' Pulmonary Parameters hospitalized	Accept

- ارانه مقالات به صورت پوستر در نهمين كنگره بين المللي بيماريهاي ريوي، مراقبتهاي ويژه و سل مي باشد.
- فرمت تهيه پوستر بر روي سايت كنگره به نشاني nritldcongress.ir قرار دارد.

		in the intensive care units	
18	nritld9-01410051_190719171351	The Effectiveness of Hydrotherapy in the Management of chronic obstructive pulmonary disease	Accept
19	nritld9-01430052_190719235622	Investigating the relationship between dust and respiratory diseases in hospitals in Iran	Accept
20	nritld9-01330054_190720001604	The effect of Coffee consumption on respiratory indicators among mechanically ventilated patients: A randomized clinical trial	Accept
21	nritld9-01360050_190719170253	Increasing medication adherence among asthmatic patients with infographic and video	Accept
22		The accuracy of PET scan in diagnosis of mediastinal lymph nodes involvement in patients with non-small-cell lung cancer in tuberculosis-endemic regions	Accept
23	nritld9-01100059_190720181936	Attitude of consented donor families about organ donation, cross sectional study in Hamedan province	Accept
24	nritld9-01100039_190721110217	National and International Collaboration of National Research Institute of Tuberculosis and Lung Diseases, bibliometric analysis	Accept
25		Hypoventilation in obese children	Accept
26		Central Disorders of Hyper somnolence	Accept
27	nritld9-01550066_190721113317	The relationship between perceived family social Support and Self-Care Behaviors in the elderlies with Chronic Obstructive Pulmonary Disease	Accept
28	nritld9-01550067_190721130622	Family Experiences from Empowerment Process in Elderly People with COPD: A Qualitative Study	Accept
29	nritld9-01570068_190721161146	Plan to reduce non-ventilator-associated hospital-acquired pneumonia: A systematic review.	Accept
30	nritld9-01620077_190721230654	The efficacy of ceftaroline in the treatment of acute bacterial infection in pediatric patients - a systemic review and meta-analysis	Accept
31	nritld9-01640079_190721234319	The Efficacy and Safety of Doripenem in the Treatment of Acute Bacterial Infections-A Systemic Review and Meta-Analysis	Accept
32	nritld9-01650081_190722000936	Prevalence of depression in patients with bronchiectasis - a systemic review	Accept
33	nritld9-01690086_190723193201	An evaluation of the effects of saffron supplementation on the asthma clinical symptoms and asthma severity in patients with mild and moderate persistent allergic asthma: a double-blind, randomized placebo-controlled trial	Accept
34	nritld9-01200044_190722160128	A Review on Easyhaler®: A Multiple Dose Inhalation Device for Dry Powder Drug Delivery	Accept
